

## Become a Supporter for Life

Leaving a legacy is a powerful way to acknowledge what matters to you most. Naturally when preparing a Will most people plan to provide for their family first. Once your family is taken care of and you decide to leave a gift to the Auckland Rescue Helicopter Trust, you will be welcomed as a SUPPORTER FOR LIFE.

We encourage you to let us know of your decision so that we can thank you and include you in SUPPORTER FOR LIFE programmes, tours and gatherings. You will have the opportunity to meet with other like-minded and generous supporters who care deeply about helping to save lives. We also strongly advise discussing your decision with your family and consulting your solicitor. If you do not have a solicitor, we recommend the Perpetual Trust or the Public Trust. Your solicitor will be able to explain the options you have in regards to leaving a gift.

To nominate the Auckland Rescue Helicopter Trust for your bequest, the suggested wording for your Will would be:

***“I give to the Auckland Rescue Helicopter Trust a specified share of the residue of my estate/or the sum of/or a specific bequest for its general purpose and I declare that the receipt of the Chief Executive or other Authorised Officer of the Trust shall be full and sufficient discharge of the said legacy.”***

Please note that your bequest must be written into your Will and must be signed by you. You will become a SUPPORTER FOR LIFE when you let us know that you have given the ultimate gift by including the Auckland Rescue Helicopter Trust in your Will. The contents of your Will are personal – we will not ask you for any details and anything you share is held in the strictest of confidence.
